The evidence went to show that for some years the house had been the rendezvous of women seeking unlawful medical aid. Several deaths have taken place there.

Miscellaneous.

The Crops.

Kansas City, 26.—Plowing for winter wheat in Kansas is all done, and a good deal of wheat has been sowed this month. The heavy crop this year has been of excellent quality and will stimulate farmers to put in a large acreage. Many fields yield from eighty to one hundred bushels per acre.
